

ED Research System — Summary (Freeze Snapshot)

Timestamp: 2025-08-24 18:58 UTC

Phase 1 + Phase 2 COMPLETE (advice-only).

Works: tracker/moves, QR+fallback, SOP offline-safe, UI thresholds, MLP advice bridge, sanity.

Safe running: overlay CFG for tests; outputs under /kaggle/working.

Next: clinical targets → multi-task heads + calibration.
